blank below		

Notes:

1. “%” is in mass fraction.
2. Items, specified value, the test method and the terms in the list are based on Japan’s Specifications and Standards for Food Additives.
3. With revision of Japan's Specifications and Standards for Food Additives, a part of the above contents may be updated without prior notification.

This English Version of the SPECIFICATIONS is published for the convenience of users unfamiliar with the Japanese language. When and if any discrepancy arises between the Japanese original and its English translation, the former is authentic.
