Notes:

1. “%” is in mass fraction.
2. Items, specified value, the test method and the terms in the list are based on Takasugi’s Specifications.
3. Part of the contents above may be updated without prior notification.
4. Purity is specified based on the premise that the contents are homogenized within the package.

This English Version of the SPECIFICATIONS is published for the convenience of users unfamiliar with the Japanese language. When and if any discrepancy arises between the Japanese original and its English translation, the former is authentic.
